

## COMMUNITY SERVICE FORM

Woods requires high school students to complete 50 hours of community service to graduate. Generally, this service must be:

- an action by the student that benefits the community,
- outside of school hours,
- voluntary (i.e., unpaid, not court-mandated),
- supervised by an adult,
- in support of a nonprofit, 501 C 3 organization.

If you have an idea of some community service that you want to do, you should check with Mrs. Berg to verify that it counts for your community service hours. You can view a tally of your approved service hours on PowerSchool.
